21 December 2009

Dear Mr Southwell

I am writing to thank everyone involved at Alarm for the generous donation of £1,050.00 raised at your annual conference dinner in November. Through your support the MS Society is able to provide practical help and support for people affected by multiple sclerosis across the UK.

Every year the Society funds around 70 different research projects that focus on everything from discovering the causes of MS to finding ways to stop the disease in its tracks, as well as delaying the symptoms day to day. Over 1,200 people benefit every year from short term breaks at our respite care centres, and our free phone helpline continues to offer support and advice to more people than ever before. The Society is continuing to secure more MS specialists posts funded in partnership with the NHS, these professionals play a pivotal role between the MS patients and their local health and social care service provision. We award around 2000 grants annually to individuals across the UK for funding such as retraining, aids and equipment and home or car adaptations.

If you are interested in working with us and would like more information on how your company would benefit from a corporate partnership with the Society, please contact me directly on 020 8438 0716.

Thank you once again for your donation; it is greatly appreciated, without it we simply could not continue our work to improve the quality of life for everyone living with MS.

Yours sincerely

Barbara Spreadborough  
Corporate Account Manager

Chief executive **Simon Gillespie**  
Chairman **Tony Kennan OBE**

The Multiple Sclerosis Society of Great Britain and Northern Ireland is a charity registered in England and Wales (207495) and Scotland (SC0 16433)
